Note:

► Verdict amounts are compensatory damages, but in a few instances may include punitive and delay damages as well as judicial offsets and adjustments. They do not reflect post-trial settlements or actions of an appellate court. They are not a report of actual payouts. Percentages may include rounding.

► The reduced verdict amount is reported in cases where a plaintiff has been found contributorily negligent.

^a A verdict amount in one case (\$20,525,000) included a \$15,000,000 punitive damage award.
