

**IN THE COMMONWEALTH COURT OF PENNSYLVANIA**

**IN RE NOMINATION PETITION OF : ELECTION MATTER**  
**KRISTINE COUSLER-WOMACK, :**  
**FOR STATE REPRESENTATIVE OF :**  
**THE 168<sup>TH</sup> LEGISLATIVE DISTRICT :**  
**OF PENNSYLVANIA :**

**Petition of: Raymond Caffey, Shannan :**  
**Donivan, and David Krebs :**

**PETITION TO SET ASIDE NOMINATION PETITION**

The Petitioners, by and through counsel, respectfully aver that:

1. The Petitioners Raymond Caffrey, Shannan Donivan, and David Krebs are duly qualified electors who reside in the 93<sup>rd</sup> Legislative District.

2. The Respondent is seeking to be the Keystone Party candidate for State Representative of the 93<sup>rd</sup> Legislative District in Pennsylvania.

3. On or before August 1, 2022, the above Candidate filed Keystone Nomination Petitions with the Department of State. A copy is attached hereto and marked as Exhibit "A."

4. For the reasons set forth in greater detail in the attached spreadsheet, the Candidate's Nomination Petition fails to contain the required number of properly ascribed signatures. A copy is attached hereto and marked as Exhibit "B."

5. The Candidate has submitted 1,418 signature lines; 1,280 of these lines are challenged and believed to be invalid.

6. Petitioners also allege, on information and belief, that the petition includes additional signatures which were not made by the persons who they purported to be. However, Petitioners have not yet been able to verify specific instances. During the established period of objection, the York County Board of Elections refused assistance or access to the SURE for the purpose of verifying signatures.

7. The Nomination Petition therefore fails to conform to the requirements of the Election Code, 25 P.S. § 2867 et seq., and must be set aside and the Candidate's name not be placed on or stricken from the ballot.

8. Section 977 of the Election Code, 25 P.S. § 2937, provides that a court shall set aside nomination petitions that are defective.

9. Because the Candidate has failed to submit the required 300 valid signatures, his nomination petitions must be set aside, and the Candidate's name cannot be placed on or must be stricken from the ballot.

10. Petitioners respectfully reserve the right to add such additional objections as are appropriate at the time of hearing.

**WHEREFORE**, the Petitioners pray that this Honorable Court enter an order:

1. Striking and setting aside the Nomination Petition of Kristine Cousler-Womack;
2. Declaring that Kristine Cousler-Womack does not have the requisite valid number of signatures as required under the Election Code to have her name placed on the ballot as a Candidate for the 93<sup>rd</sup> Legislative District in the General Election; and
3. Granting such other and further relief as this court deems necessary and just.

Respectfully submitted,

A handwritten signature in black ink that reads "Jennifer R. Clarke". The signature is written in a cursive style with a large, sweeping initial "J".

## ELECTION SPREADSHEET DIRECTIONS

By order of the Commonwealth Court of Pennsylvania, all Petitions to Set Aside Nomination Petitions or Papers (objection petitions) must be filed either in paper format (original and one copy) or by PACFile (the Pennsylvania appellate court electronic filing system). When individual elector signatures are challenged, the objection petition must be accompanied by a spreadsheet as specified in the Court's order and the directions below.

1. The objection petition shall specify the objections to individual signature lines in nomination petitions or papers and these shall be set forth in this spreadsheet .
2. Spreadsheet columns shall include, for each challenged signature line: page number, line number, county, and the reason or reasons for each objection. The spreadsheet shall designate the grounds for objection using the following abbreviations:

NR =	Not Registered
NRA =	Not Registered At Address
NRD =	Not Registered in District
NRDS =	Not Registered on Date Signed
OC =	Out of County
Ill =	Illegible
LIO =	Line Information Omitted
DUP =	Duplicate
IHA =	Line Information in Hand of Another
N/I =	Nickname/Initial
PRI =	Printed Signature
Other =	Any ground for objection not listed above (specify the exact nature of the objection in the "Describe Other" cell)

Note: This list of abbreviations for the various grounds to object to a signature is also referred to as the "challenge codes key."

3. The objection petition shall clearly state the number of signature lines challenged as well as the total number of completed signature lines on the face of the nomination petitions or papers.
4. Any other objections, e.g., to circulator affidavits, candidate affidavits, etc., must be clearly and separately stated in the objection petition.
5. If filing the objection petition in paper format:
  - a. Objector shall attach to the objection petition as an exhibit a printed copy of the spreadsheet printed on 8 ½ x 14 inch paper, with all grid lines showing and column headings appearing on each printed sheet, and a printed copy of the challenge codes key.
  - b. In addition, Objector shall file two separate digital media devices (CD or USB flash drive), each containing an electronic version of the spreadsheet and the challenge codes key. The electronic version of the spreadsheets on the each digital media

devices must be enabled for editing by the Court, and may **not** be read-only or password protected.

6. If filing the objection petition by PACFile:
  - a. Along with the electronically filed objection petition, Objector shall file as an exhibit an electronic (PDF) version of the spreadsheet with all grid lines showing and column headings appearing on each sheet, and an electronic (PDF) version of the challenge codes key.
  - b. **Within two days** of submission of filing the objection petition and spreadsheet, Objector shall submit to the Court two paper copies of the electronically filed objection petition and spreadsheet **and** two separate digital media devices (CD or USB flash drive), each containing an electronic version of the spreadsheet and the challenge codes key. The electronic version of the spreadsheet on the each digital media device must be enabled for editing by the Court, and may **not** be read-only or password protected.
7. Regardless of the method of filing, in addition to the usual service requirements Objector shall serve upon Candidate one digital media device containing a read-only electronic version of the spreadsheet and challenge codes key.
