ORDER

PER CURIAM

AND NOW, this 22nd day of January, 2018, the Petition for Allowance of Appeal is **GRANTED, LIMITED** to the following issue, as stated by Petitioner:

Whether the Commonwealth Court erred as a matter of law by imposing a standard upon the admissibility of objectors' evidence that effectively eliminates the ability to raise any objection to a land use application based on firsthand experience with a similar use when the proposed use does not already appear within municipal borders?

The Petition is otherwise **DENIED**.
